GENERAL INFO

Credits (cr)/study weeks/opintoviikko (ov)

Credits equal the amount of study weeks. For example, if a period consists of 5 weeks of teaching, the maximum amount of credits is 5.

Presence and absence

For shorter absences, please inform your teacher and talk to them about possible compensations. Please note that your presence on the course is directly linked to the amount of credits you get. You can only get full credits from a course if you attend at least 80% of the course days, or you have agreed on compensations with your teacher. **For a longer absence or the discontinuation of your studies, please talk to H and/or Tanja as soon as possible.**

COURSES

Period teaching *(mandatory)*

These courses continue for several weeks with the same teacher(s) and the same focus. Period teaching is held separately for each year.

Workshops *(elective)*

All workshops are elective and open to all years. This is a great opportunity to meet people from other years! :) We recommend choosing 1-2 workshops per semester. You can switch workshops, but we recommend committing to a workshop for at least one semester. Remember to mark your attendance in the sheets at the info board (except for the workshops at Cable Factory for which Eija and Anna-Maija note down your attendances). Drawing and Printmaking Workshops take place at the Cable Factory ([Kaapelitehdas, Tallberginkatu 1, staircase A, 3rd floor](#)).

Thursday Talks *(mandatory)*

Thursday Talks function as working life orientation towards the profession of an artist. These talks are held by various arts professionals on the online platform Zoom. Thursday talks are mandatory for all years, and

open to the general public. Note: The facilitator (H or Tanja) marks down your attendance. For the full 3 cr, you need to attend at least 80% of the talks (minimum 7 of 9 for autumn). If you need to compensate for an absence, talk with H about writing a learning diary.

MEETINGS WITH H

Group meeting with H *(mandatory)*

Each year class has a group meeting per semester with the rector. You can find the date of your group meeting in your year schedule below. The group meetings help the rector to stay updated on the group's study process. It is one of the many opportunities for you to share thoughts and feedback about courses and anything else in and around school.

Personal study plan (PSP) talks / Henkilökohtainen opintosuunnitelma (HOPS) with H *(mandatory)*

These meetings are held in the beginning and end of each school year with H and the meetings are mandatory for all students. Tanja is sending you a doodle from which you can pick a slot that suits your timetable. PSP talks are generally available on Tuesdays 10-12 and 13-14.30.
